

WISCONSIN LEGISLATIVE COUNCIL AMENDMENT MEMO

2001 Assembly Bill 43

Assembly Amendment 1

Memo published: May 11, 2001

Contact: Dan Schmidt, Analyst (267-7251)

Current law requires the Technology for Educational Achievement in Wisconsin Board (TEACH Board) to provide grants for reduced cost data lines or video links to school districts and private schools that had contracts for such services in effect on October 14, 1997. Such a grant may be awarded after June 30, 2002.

2001 Assembly Bill 43 repeals the current sunset date of June 30, 2002. The bill does not create an alternative sunset.

Assembly Amendment 1 establishes a sunset date for the aforementioned grants on December 31, 2005.

Assembly Amendment 1 was recommended by the Joint Committee on Information Policy and Technology by a vote of Ayes, 9, Noes, 0, on May 9, 2001.
